Pre-school/Pre-kindergarten Statement of Basic Beliefs

1. Scriptural Direction

The Bible is God's written Word. It reveals His will for creation and provides guidance for our lives.

2. Creation

Our entire world, in all its parts, aspects, and relations, is the creation of the triune God, Father, Son, and Holy Spirit. God orders and preserves the cosmos by His Word as an expression of covenantal love. All things are unified under God's rule and exist to give Him glory.

3. Humanity

Human beings are created to bear God's image. As such, we are given a mandate to live in community with God, each other, and creation, developing its potential and taking good care of it.

4. Fall Into Sin

Through humanity's willful disobedience to God, sin entered the world. It disrupted communion between God and humankind, it resulted in disharmony between people, and it set men and women in harmful opposition to the rest of creation that resulted in hardship and death.

5. Redemption and Restoration

God sent His only Son, Jesus Christ, to save us from sin and to restore all things to Himself. Jesus' life, death and resurrection broke the power of the Evil One and inaugurated the renewal of creation. All will be fully restored when the Lord returns to make everything right.

6. The Kingdom of God and the Task of the Church

As God's people, the church, we are called to be agents of reconciliation. Under the leading of the Holy Spirit and in communion with God and one another, we are to summon sinners to repentance and strive to advance God's rule in all areas of life. We seek to transform culture and bring peace to a broken world.

7. Christian Education

Christian education is an integral part of the Christian community's contemporary responsibility before God. It teaches wisdom to each new generation of God's people to discern His will for their time and place.

As a parent/guardian seeking to enroll my child in the pre-school/pre-K class at Lafayette Christian School, I hereby certify that I have read and I do affirm that my beliefs are consistent with those stated above.
