School facts:

- **Mission:** Lafayette Christian School excels in Christ-centered education and equips each unique child to love and serve God in all of life.
- **History:** Founded in 1950.
- **Students:** Current enrollment is over 250 students in preschool through 8th grade. Our students come from over 45 area churches.
- **Educational Program:** We offer an environment that encourages each student's spiritual growth and personal heart commitment to Christ. We provide academically excellent education with a Christian worldview. Our school works in concert with homes and churches to teach God's wisdom. We have a steadily growing enrollment with a student retention rate of 90% and an average teacher-student ratio of 1:18.
- **Faculty:** Our faculty and administrators are state-certified college graduates, many with advanced degrees. Our staff turnover rate is very low; they really have a heart for their students.
- **Funding:** Our tuition pays the total cost of education, while development income provides for need-based tuition assistance (education grants), capital improvements, special projects and endowment. We have a stable, broad base of financial support, including alumni and their families and area churches.
- **Facility:** In August, 2010 LCS dedicated a \$3.9 million addition to provide classroom space for our growing enrollment. This was the first phase of a \$7 million, four-phase project.
