

Stewards Fund: A Donor-Advised Fund

*Christian Values. Exceptional Service.
Streamlined Giving.*

Streamline and simplify your tax-efficient giving!

Through the Stewards Fund (a donor-advised fund), you can give cash, stock, real estate or other appreciated assets into a single charitable giving account. Then, request grants be made to Lafayette Christian School and the other causes close to your heart.

Benefits of Giving Through a Donor-Advised Fund

- **Timing.** Receive an immediate tax deduction at the time of your contribution. Then, at the time that works best for you, advise how you wish your gifts to be distributed.
- **Simplicity.** Simplify your giving and record-keeping to Lafayette Christian School and all your favorite ministries by giving cash, stock or other appreciated assets into a single giving account.
- **Expertise.** Barnabas Foundation will manage and liquidate your non-cash asset gifts for the benefit of your favorite causes.
- **Privacy.** You can choose to make any or all grants anonymously.

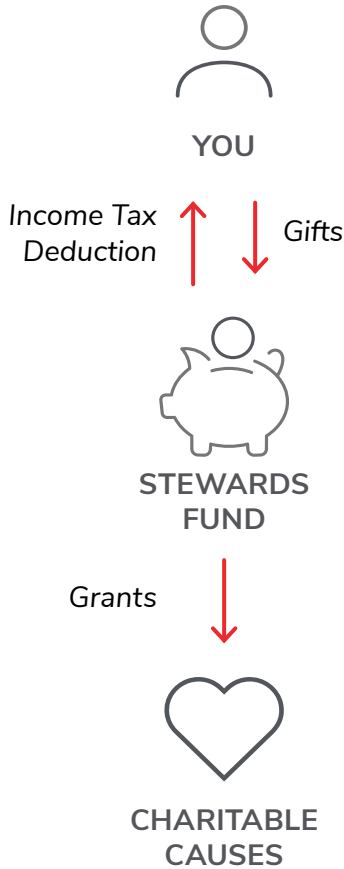

Why the Stewards Fund?

Compared to other donor-advised funds, supporters of Lafayette Christian School often choose the Stewards Fund because of:

- **Aligned Values.** Grants can be made to both Christian and secular charities, so long as they are not in conflict with Barnabas Foundation's published statements of Christian faith, principles and values.* Furthermore, you can issue grants to faith-led ministries that some secular foundations and donor-advised funds will no longer allow you to support.
- **Customer Service.** Real, "live" people are available to answer your calls and emails. They will quickly respond to your questions or concerns.
- **Cost-Effective.** There are no hidden fees and no required minimum balance to maintain after your initial gift of \$10K or more.

How it Works

Gift Options

- Cash
- Stocks and Mutual Funds
- Cryptocurrency
- Business Interests
- Farm Commodities
- Real Estate
- Livestock
- Tangible Personal Property
- Royalties and Rights

Gifts that should NOT be contributed into the Stewards Fund: gifts from an IRA; securities held less than a year; securities or property that have declined in value since acquired.

Growing Your Balance Investment Options

Your gift is invested automatically in a secure cash equivalents fund. If you plan to hold a balance in your account long-term, there are other investment options to consider, ranging from conservative to aggressive growth.

About Barnabas Foundation

Lafayette Christian School partners with Barnabas Foundation to offer you trusted, tax-wise giving solutions.

Since 1976, Barnabas Foundation has helped thousands of generous Christians give in ways that honor God, provide for their families and support the ministries close to their hearts.
